Re: Mowing Bids  
Date: July 17, 2012

Because there was a date error on the bid advertisement, I waited until Monday, July 16, 2012 to open the bids for mowing. (The bid stated the deadline was Monday, July 12, 2012 – It should have said “Thursday”).

We received two bids for 3-years for the mowing – both had the proper equipment to do the job.

The two bids were the same price for all 3-years:

Bidder	Roads	Landfill	Total
George Crawford	\$1,700.00	\$400.00	\$2,100.00
Richard McMullen	\$1,800.00	\$400.00	\$2,200.00

The Board of Selectmen authorized the Road Commissioner to handle the bid award on June 21, 2012.

The bid for all 3-years will go to George Crawford.

Signed,

Stu Marckoon, Road Commissioner
